10 point Motorcycle Checklist

Tires

- ✓ Good tread
- ✓ Proper inflation

Lights

- ✓ Head light
- ✓ Tail light
- ✓ Turn signals

Miscellaneous

- ✓ Horn
- ✓ Brakes function properly
- ✓ Engine Oil Level
- ✓ Check for fluid leaks

Riding Gear Checklist

Temperatures can vary 10-20 degrees depending on altitude. Because of this, we recommend every rider come prepared with proper riding attire including:

- ✓ Jacket – leather or nylon
- ✓ Leather chaps
- ✓ Riding boots
- ✓ Gloves
- ✓ Rain suit

We strongly discourage riding in shorts and sandals.

We also recommend proper eye protection and a D.O.T. helmet
